Re: United States v. Narek Marutyan
Indictment No. 20-CR-652 (VM)

Dear Judge Marrero,

I am writing with respect to the bail review hearing ordered regarding my client Narek Marutyan. I have spoken to AUSA Abigail Kurland who informs me that her office has no objection to Mr. Marutyan remaining released on the current bond as long as a condition is added requiring him to enroll in a substance abuse treatment program as directed by Pretrial Services. I have no objection to such a condition being added.

Accordingly, I ask that Mr. Marutyan's bail conditions be amended to require him to enroll in a substance abuse treatment program as directed by Pretrial services. I also ask that with this amendment the bail review be deemed satisfied.

Respectfully submitted,

/s/ Dennis J. Ring
Dennis J. Ring

The requests are granted. Defendant Narek Marutyan's bail conditions are hereby modified to include a condition requiring enrollment in a substance abuse treatment program as directed by Pretrial Services. The Court's previous Order directing the parties to participate in a bail hearing in magistrate court is suspended.

SO ORDERED.
